FOR VIDEO CONSULTATION**

NHS Lothian are now offering a Minor Injury Assessment by video call in your own home. Our aim is to provide timely assessments, advice or treatment for our patients.

Types of Injuries that are suitable for the Call MIA service

- Strains, sprains and suspected broken bones
- Wounds and Burns
- Musculo – skeletal conditions (joints, ligaments, muscles, nerves, tendons)

Types of Patients not suitable for the Call MIA service

- Injuries from a week ago or more
- Patients who are seeking a second opinion
- Those who require emergency care for example chest pain (**CALL 111**)
- Patients less than 1 year old

The assessment will be carried out by a specialist Nurse Practitioner from the Minor Injury Unit using secure video consulting software. This software is private and confidential. Your Call MIA consultation is private and will never be recorded. All you need is a reliable internet connection and a device for making video calls such as a smartphone, tablet or computer with webcam.
